

iThenticate 2019

It is time to renew our annual contracts for *iThenticate*, our anti-plagiarism software, for 2019.

This contract will cover the 2019 calendar year beginning January 1. The cost will be divided among participating annual conferences. The cost in 2018 was \$686.40 per conference, and we anticipate comparable rates this year.

Below is a list of annual conferences that currently participate and who will receive information on renewal and billing. You can expect further communication in the following weeks to confirm participation in 2019.

Contact Will Arnold (warnold@gbhem.org) if you would like to be added the list to receive any future communications or if you would like more information on *iThenticate*.
