Changes to the 16PF Online Platform

PSI Services LLC, our 16PF assessment vendor, is updating their system to a new online platform. Currently, mentors receive a link to www.netassess.ipat.com and individualized credentials for their candidates. The new system will allow mentors to use a single URL for all candidates taking the 16PF.

Once a mentor submits the Request for Assessment Materials within UMCARES, the URL will be provided in the psychological assessment packets emailed to the mentor by the Candidacy Office. When a candidate clicks on the link, they will be able to self-register their information.

It is important that each candidate only begin a new assessment once. GBHEM will be charged for each assessment started. If a candidate loses internet activity while completing the assessment, they will no longer need to start over. The Candidacy & Psychological Assessment Coordinator can send a personalized URL to the mentor for the candidates 16PF. This will allow them to complete the assessment from the last question answered.

For further information or questions please contact candidacy@gbhem.org or 615-340-7374.
